

# JOIN CALHOUN MUSIC BOOSTERS!

---

The *award-winning* Calhoun Music Department has brought recognition to our school and District as well as praises for the talent and dedication of our students. They have provided entertainment for the enjoyment of the entire community!

---

The seven-year-old **Music Boosters** organization advocates music education and extra-curricular programs at Calhoun. We organize fundraising events to support Music Department activities, as well as plan and contribute to the Annual Music Awards Dinner, where our students are honored for their hard work and dedication to the program. We have provided a video system to the vocal department, new pep band uniforms for our instrumental students, and end-of-year awards. We take pride in the excellence of Calhoun's music programs and recognize the contributions our students make to enrich both Calhoun and the community.

Join **Music Boosters** and show your support for our talented students.
